## College Timeline

Date	Event
1958	A group of Warren County citizens, encouraged by County Supervisors, raise the idea of a local community college, and meet with the Dean of Community Colleges of the State University of New York to discuss what could be done. An Action Committee is formed of both Warren and Washington County citizens, who then survey local students and their parents to determine their educational needs.
1960	The Action Committee presents its recommendation to the Board of Supervisors in both counties and asks that they jointly sponsor the new college. The resolution is passed, and in June the formation of the college is approved by the Trustees of the State University of New York. In fall of the same year, Adirondack Community College is selected as the official name of the future college.
1961	In February, The Adirondack Community college Board of Trustees appoints Dr. Charles R. Eisenhart as President of the college. In March, a location on Lower Main Street Hudson Falls is selected as the temporary campus location, with physical education classes to take place in the nearby YMCA facilities. On September 12, Adirondack Community College opens the first day of classes with 215 students enrolled full-time. The college's Opening Convocation takes place on September 17.
1963	The Glens Falls Insurance Company gives 141 acres of land on Bay Road in Queensbury to Adirondack Community College which becomes the college's permanent site.
1967	In August, the college moves to its new campus on Bay Road after the close of the summer session.
1972	The college is accredited by the Middle States Commission on Higher Education.
1995	The Wilton Center opens and allows students in Saratoga County easier access to instruction.
2009	The Bryan Hall/Regional Higher Education Center is added.
2010	The college adopts a short name entitled: SUNY Adirondack.
2012	The Culinary Arts program moves to its own building [410 Bay Road, Queensbury, NY]. The college moves the Wilton Center to a new building.
2013	The college opens a 408-bed residence hall.
2017	Adirondack Hall is opened complete with new science facilities and additional square footage for Continuing Education and Workforce Development.
2018	The Continuing Education and Workforce Development wing and Nursing space in Adirondack Hall are completed. Relocation of the Culinary Center to 14 Hudson Avenue, Glens Falls, NY is completed.
2019	The Wilton Center is renamed SUNY Adirondack at Saratoga.

## Fall 2021 Fast Facts Notes

The Fall 2021 Fast Facts are comprised of census numbers as of October 18, 2021, derived from the SIRIS (SUNY Institutional Research Information System) system. Final Census numbers will be reported in the Fall 2022 Early Edition. Fall retention rates on pages 28-32 are end-of-term fall to fall retention rates except for Fall 2020 returning in Fall 2021 rate (census retention rates).

Fall 2020 data points vary greatly in comparison to prior and subsequent fall semester numbers due to the instructional delivery changes the college made in response to the COVID-19 pandemic and the impact of COVID-19 on student enrollment behavior.

**SUNY Adirondack Saratoga** Previously reported Wilton Center numbers are reported under the SUNY Adirondack Saratoga location.

**FTE Definition** All FTE (Full-time Equivalent) numbers are based on 30 credits hours = 1 FTE.

**Cross-Registered Students** Enrollment numbers include inbound cross-registered students who are enrolled in SUNY Adirondack courses. Credits for SUNY Adirondack students who cross-register at other SUNY institutions (outbound) are excluded. Exception: The peer comparison headcount chart on page 19 *excludes* inbound cross-registered students.

**Age Calculation** Age is calculated on a student's age at the end of the semester because this is the age of the student when a student achieves or does not achieve a credential.

**The Four Disciplines of Execution (4DX)** 4DX is a continuous improvement program developed by Franklin Covey, Inc. SUNY Adirondack first implemented 4DX in 2017. The four disciplines include: 1) focus on a wildly important goal (WIG), 2) act on the lead measures, 3) keep a visible and compelling scoreboard, and 4) create a cadence of accountability. Degrees earned are counted from September 1, Year 1 through August 31, Year 2 to match the fiscal year.

**Student Outcomes – Diversity, Equity and Inclusion** Graduation rates, fall to fall retention rates, and average credits earned by first-time, full-time students are reported by Pell status, gender, disability, race/ethnicity, and permanent residence.
