Additional Information:

Emphases:

The emphases listed below have been suggested by the appropriate division for students who want to transfer to a four-year program in these areas. They are NOT majors. They are emphases within the two-year degree of Liberal Arts and Science - Humanities and Social Sciences A.A. The liberal arts elective and the free elective credits within the Liberal Arts/Humanities-Social Science degree can be applied toward courses in a chosen emphasis.

Students should consult the catalog of their transfer institution as early as possible to determine additional requirements. If the transfer institution has a foreign language requirement, it is recommended that students try to fulfill it before transfer.
