SUMMER ENRICHMENT 2021
ADDITIONAL NOTES ABOUT COURSE MATERIALS

ANIMATION 101
For this course, you'll need:

- a tablet or smartphone with a touchscreen that can download the FlipaClip app* (for animating), and
- another device used to watch the class on Zoom.

* The FlipaClip app works on smartphones, Kindle Fire, Android tablets and Apple tablets.

COOKING WITH JENNY: SIMPLE & DELICIOUS
Students will need to provide their own ingredients, and should be comfortable using a stove, oven and sharp knives. Some recipes may not allow for special dietary restrictions such as dairy-free or gluten-free allergies.

DESIGN MOBILE APPS
For this course, students will need to download the MIT App Inventor app. Chromebooks are preferred, but the app also works with Windows machines. The app is available for download in the Apple App Store or Google Play.

DISCOVER MINECRAFT
This course will utilize Minecraft: Education Edition. You will be assigned a unique SUNY Adirondack student email address, which must be used to access your Minecraft: Education Edition account. Once your account is set up through SUNY Adirondack, our office will notify you.

If you are using your own computer, you will need to download the Minecraft: Education Edition software after your account is set up. The software works on PCs, iPads, Macs and Chromebooks. To download the software and check device compatibility, please go to the Supported Platforms for Microsoft: Education Edition webpage.

DRAW WHAT YOU SEE!
Students must provide their own materials for this course, listed below. Or, instead of purchasing these items separately, students can purchase them as a kit through Amazon.com (i.e., the Belloff Sketching Drawing Kit or the Tavolozza Drawing Art Set).

- Pack of 12 drawing pencils
- Drawing charcoal
- Blending stick
- Eraser
- Zero Eraser
- Sharpener
- Sketchbook (no smaller than 9x12 inches; preferred size is 11x14 inches)

THE WORLD OF HARRY POTTER
Students will need to provide their own container for mixing, water, green food coloring and vegetable oil.
