

The application period is currently closed. The application will be available just prior to the next open period, as noted below.

Open application dates for the spring semester are August 15 - September 15. Open application dates for the fall semester are January 1 - February 1. Deadlines are strictly adhered to. End dates on a weekend or holiday are extended until next open business day.

The **HESI A2** (admission assessment) is required of all students applying for the nursing program and should be completed by the end date of open applications. Note: exam results are valid for two years, up through the last date to submit an application. For example, if the application open period ends 2/1/20, an exam taken prior to 2/1/18 wouldn't be valid.
