Statement of Financial Responsibility and Registration Verification

By registering for classes at SUNY Adirondack, I acknowledge and agree that I am financially responsible for all charges related to my registration and housing.

I understand that if financial payment and/or arrangements have not been made by the due date, the College reserves the right to remove me as a student for non-payment, deny me access to my registered classes, and/or place a "hold" on my student records restricting me from registering, graduating, and/or obtaining a transcript until the account is paid in full. I am responsible for all late charges incurred.

Failure to attend classes does not absolve me from financial liability. In all cases it is my responsibility to drop classes by the published drop/add date(s) and I accept financial liability for these classes in accordance with the SUNY Adirondack Bill Adjustment/Liability Schedule. SUNY Adirondack may call (personally or automated) or text any phone number that I have provided to the College and leave a message regarding any outstanding account I have. I understand that, if the College texts me, I will be able to opt out. The College may use a collection agency or take legal action for any account balance due and I will be responsible for all charges owed which may include collection and/or litigation costs or attorney fees.

I understand that the College will (1) electronically post my 1098-T form (Tuition Statement) to my Banner account so I can download the form for tax purposes and (2) mail a paper copy of my 1098-T to my primary address on file. I understand that I am responsible for providing the College with updated contact information either through Banner or in person at the Registrar's Office in Warren Hall or at SUNY Adirondack Saratoga.

Federal and State Financial Aid Acknowledgement and Permission Statement: I understand that financial aid (state and federal) is only available to matriculated students. A matriculated student is a student who has been accepted to the College and is pursuing a SUNY Adirondack degree. If I am a matriculated student who is eligible for financial aid and my financial aid is reduced or canceled for any reason, I am responsible for all charges on my account. I give SUNY Adirondack permission to use any federal student aid (Pell Grant, SEOG, Direct Loan) to pay any current charges that I incur for educational related activities and any other charges (institutional and non-institutional) related to my attendance. I understand that at any time I may contact the Student Accounts (Bursar) Office to revoke this permission regarding the use of my federal student aid.

My signature below indicates that I am in agreement with and/or acknowledge the statements above. I certify that the information provided on this registration form is correct and that I have read all instructions and statements on this form and understand the implications and requirements for registration at SUNY Adirondack. COVID-19 is a disease caused by a virus called SARS-CoV-2. Most people with COVID-19 have mild symptoms, but some people can become severely ill. Although most people with COVID-19 get better within weeks of illness, some people experience post-COVID conditions. Post-COVID conditions are a wide range of new, returning, or ongoing health problems people can experience more than four weeks after first being infected with the virus that causes COVID-19. Older people and those who have certain underlying medical conditions are more likely to get severely ill from COVID-19.

People with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness. Symptoms may appear 2-14 days after exposure to the virus. Anyone can have mild to severe symptoms. People with these symptoms may have COVID-19: fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, diarrhea. This list does not include all possible symptoms. Older adults and people who have severe underlying medical conditions like heart or lung disease or diabetes seem to be at higher risk for developing more serious complications from COVID-19 illness.

Name _____ Banner Student ID _____

I have/will submit all mandatory COVID 19 immunization records (or have an approved exemption) prior to physically being on campus at the start of the academic term. I understand that failure to submit documentation means I will not have any physical presence on campus (Queensbury, Saratoga, and the Culinary Arts Center) nor reasonably anticipate using on-campus services for the entirety of the academic term (s). No physical presence includes access to the Library, Fitness Center, Tutoring Centers, Administrative offices, Faculty offices, campus housing, etc. If my registration status requires me to submit vaccination records to the Registrar's Office, this will be done by the start of the academic term that I am enrolled in.
