

Fall 2020 @SUNYADK Safe. Smart. Ready.

SUNY ADIRONDACK PLEDGE

SUNY Adirondack's strength is deeply rooted in its community — a commitment to our students, faculty and staff; our region; and, of course, to one another. As a community, we share responsibility to protect ourselves and each other. All SUNY Adirondack students, faculty, staff and visitors are asked to demonstrate their shared respect by pledging to the following guidelines at all times as our college responds to COVID-19.

AS A COMMUNITY, WE WILL SLOW THE SPREAD OF CORONAVIRUS.

I pledge to adhere to all state- and public health-recommended health and safety requirements and guidelines. I will conduct daily self-checks for symptoms of COVID-19 and, if I experience such symptoms, will stay home and seek medical attention.

AS A COMMUNITY, WE WILL BE SAFE.

Before arriving on campus, I pledge to truthfully perform a self-screening through the #campusclear app. I pledge that when I am physically on any of the college's locations, I will follow all access checkpoint protocols to receive my daily wristband showing I am symptom free and cleared to be on campus

AS A COMMUNITY, WE WILL BE RESPECTFUL OF SPACE.

I pledge to maintain a proper social distance of at least 6 feet from others while on campus, indoors or out. I will follow all directional signage when traveling within buildings and around the properties.

AS A COMMUNITY, WE WILL PROTECT ONE ANOTHER.

I pledge to wear a facial covering when on any of SUNY Adirondack's campuses, locations even when social distancing is maintained. I pledge to adhere to cough and sneeze protection practices and to wash or sanitize my hands frequently.

AS A COMMUNITY, WE WILL BE RESPONSIBLE.

I recognize SUNY Adirondack is striving to provide a safe educational experience and I pledge to do my part by being safe, smart and ready at all times.

AT SUNY ADIRONDACK, WE ARE A COMMUNITY.
