2) 62 is the maximum number of credits allowed for transfer into The College of Saint Rose. All possible electives are listed in this agreement and the student, along with his/her advisor, should select the most appropriate courses to complete his/her degree while not unnecessarily exceeding the number of credits required for the A.S. degree. 3) CRJ 205 is required by Adirondack Community College for the A.S. degree in Criminal Justice – Police Science. This course will transfer to The College of Saint Rose but will not fulfill a major requirement. The transferred credits for this course will count towards the 122 credit total required for the B.S. degree.

4) 62 is the maximum number of credits allowed for transfer into The College of Saint Rose.

5) Students are required to take two political science courses (PSC 102 and 103) at Adirondack Community College to fulfill the A.S. degree requirements. The second political science course could fulfill the “Further Disciplinary Study” requirement at Saint Rose.

6) A letter grade of C- or higher in each course is required for transfer into The College of Saint Rose. Any completed coursework with a grade lower than a C- will not be transferred.

7) This document is valid until the time which either party changes their respective program. At which point review/revision will be required.

8) The College of Saint Rose Transfer Equivalency Database and/or catalog should be consulted to ensure that selected coursework will fulfill the appropriate Liberal Education Requirements as designated by the “L0” next to the course credits.
